March 2013, Report

- ❖ Los Angeles County Commission for Women- Woman of the Year Luncheon
- ❖ Mid-Winter Event for California Pacific Annual Conference of the United Methodist Women
- ❖ Latino Education Advocacy days Summit – CSU San Bernardino

Unfortunately following a noble effort to get to the female veteran's event in Carson, after two hours of travel from CSU Northridge, I was only at Sunset Blvd (on the 405) and had 1.5 hours remaining in the event, so turned back. There is another event on April 27 (1:00 pm-5:30 pm) entitled "How are Veterans Changing America"; UCLA De Neve Auditorium. RSVP www.zocalopublicsquare.org
